

MAKER JOURNAL

Name: _____

Date: _____

Project/Unit: Electrical Engineering

Lesson: Transistors Introduction

Look at the pictures below, and brainstorm with your team how the devices have changed over time.

Then	Now
	
	
	

MAKER JOURNAL

Name: _____

Date: _____

Write down your thoughts on how these devices are different, how they are the same, and guesses on why they have changed over time.

Televisions:

How are the devices different?	How are the devices the same?	Reasons for evolution?

Phones:

How are the devices different?	How are the devices the same?	Reasons for evolution?

Computers:

How are the devices different?	How are the devices the same?	Reasons for evolution?
