*Answer the following questions with your team.*

## Questions

- 1. Why did your team choose the four countries researched above?*
- 2. What did you already know about each one before conducting the research? What was new for you?*
- 3. What do you think was the most important difference or similarity between the countries you researched and the U.S. in terms of warning lights?*
- 4. Were there patterns in the colors used for specific warnings? Explain.*
- 5. How does this information make you feel about the use of light to convey (send) warning messages?*
- 6. What is your major take-away (points learned) from this lesson? Why?*
