

MAKER JOURNAL

Name: _____

Date: _____

6th grade: Empathy --- Recycle materials to solve problems!

Lesson 1

My Recycle & Repurpose Sheet!

List below 4 recycled items you have in your Makerspace:

Example: a cardboard tube, lids, an eraser, and a small stick

Use the space below to write about and/or to draw a picture to show what you could make with these items if you repurposed them →

Example: You could make a toy car →
