

MAKER JOURNAL

Name: _____

Date: _____

Unit: Animal Responses to Information

Lesson 3: Bat and Moth!

Reflect on your experience as the bat in the Bat and Moth game. Record your ideas below.

Reflection: What did you learn about bats and using sound to locate prey (moth)?

Discuss the questions below with another group. Record your ideas and details in the space below.

Discussion Questions

How do bats use their senses to find prey?

What information from the environment do bats rely on (what are they trying to sense)?

How does hearing sound help bats and other animals make decisions and change behaviors?
